## Lethal 06 Sends

By LTC Christopher Majors

First and foremost, it is an absolute honor to be the Commander of 3-2 ADA. On behalf of my wife, Kendal and our kids, we are honored to be here and look forward to working with all of you. I want to personally thank our most important weapon system—our Soldiers and their Families. Without you, we could not execute our mission so thank you for all you do. I hope you all had a great block leave and are all settled now. We are well on our way in training and preparing for our next mission. Whether it be weapon ranges, the Army Combat Fitness Test (ACFT), Combat Lifesaver or Drivers Training, your Soldiers have been busy. Despite being busy, we are ensuring your Soldiers will have down time to spend with their families. We have a schedule of events in the Newsletter that addresses these dates. Moving forward, we plan on releasing a Battalion Newsletter monthly. Both the CSM and I will ensure you have the most up to date information and are kept in the loop when the Battalion will be conducting major events. Again, thank you for all you do and we are looking forward to an exciting year! I ask that you stay safe, healthy, and remain ready for any mission that may come our way.

## Lethal 07 Sends

By CSM Victor Perches

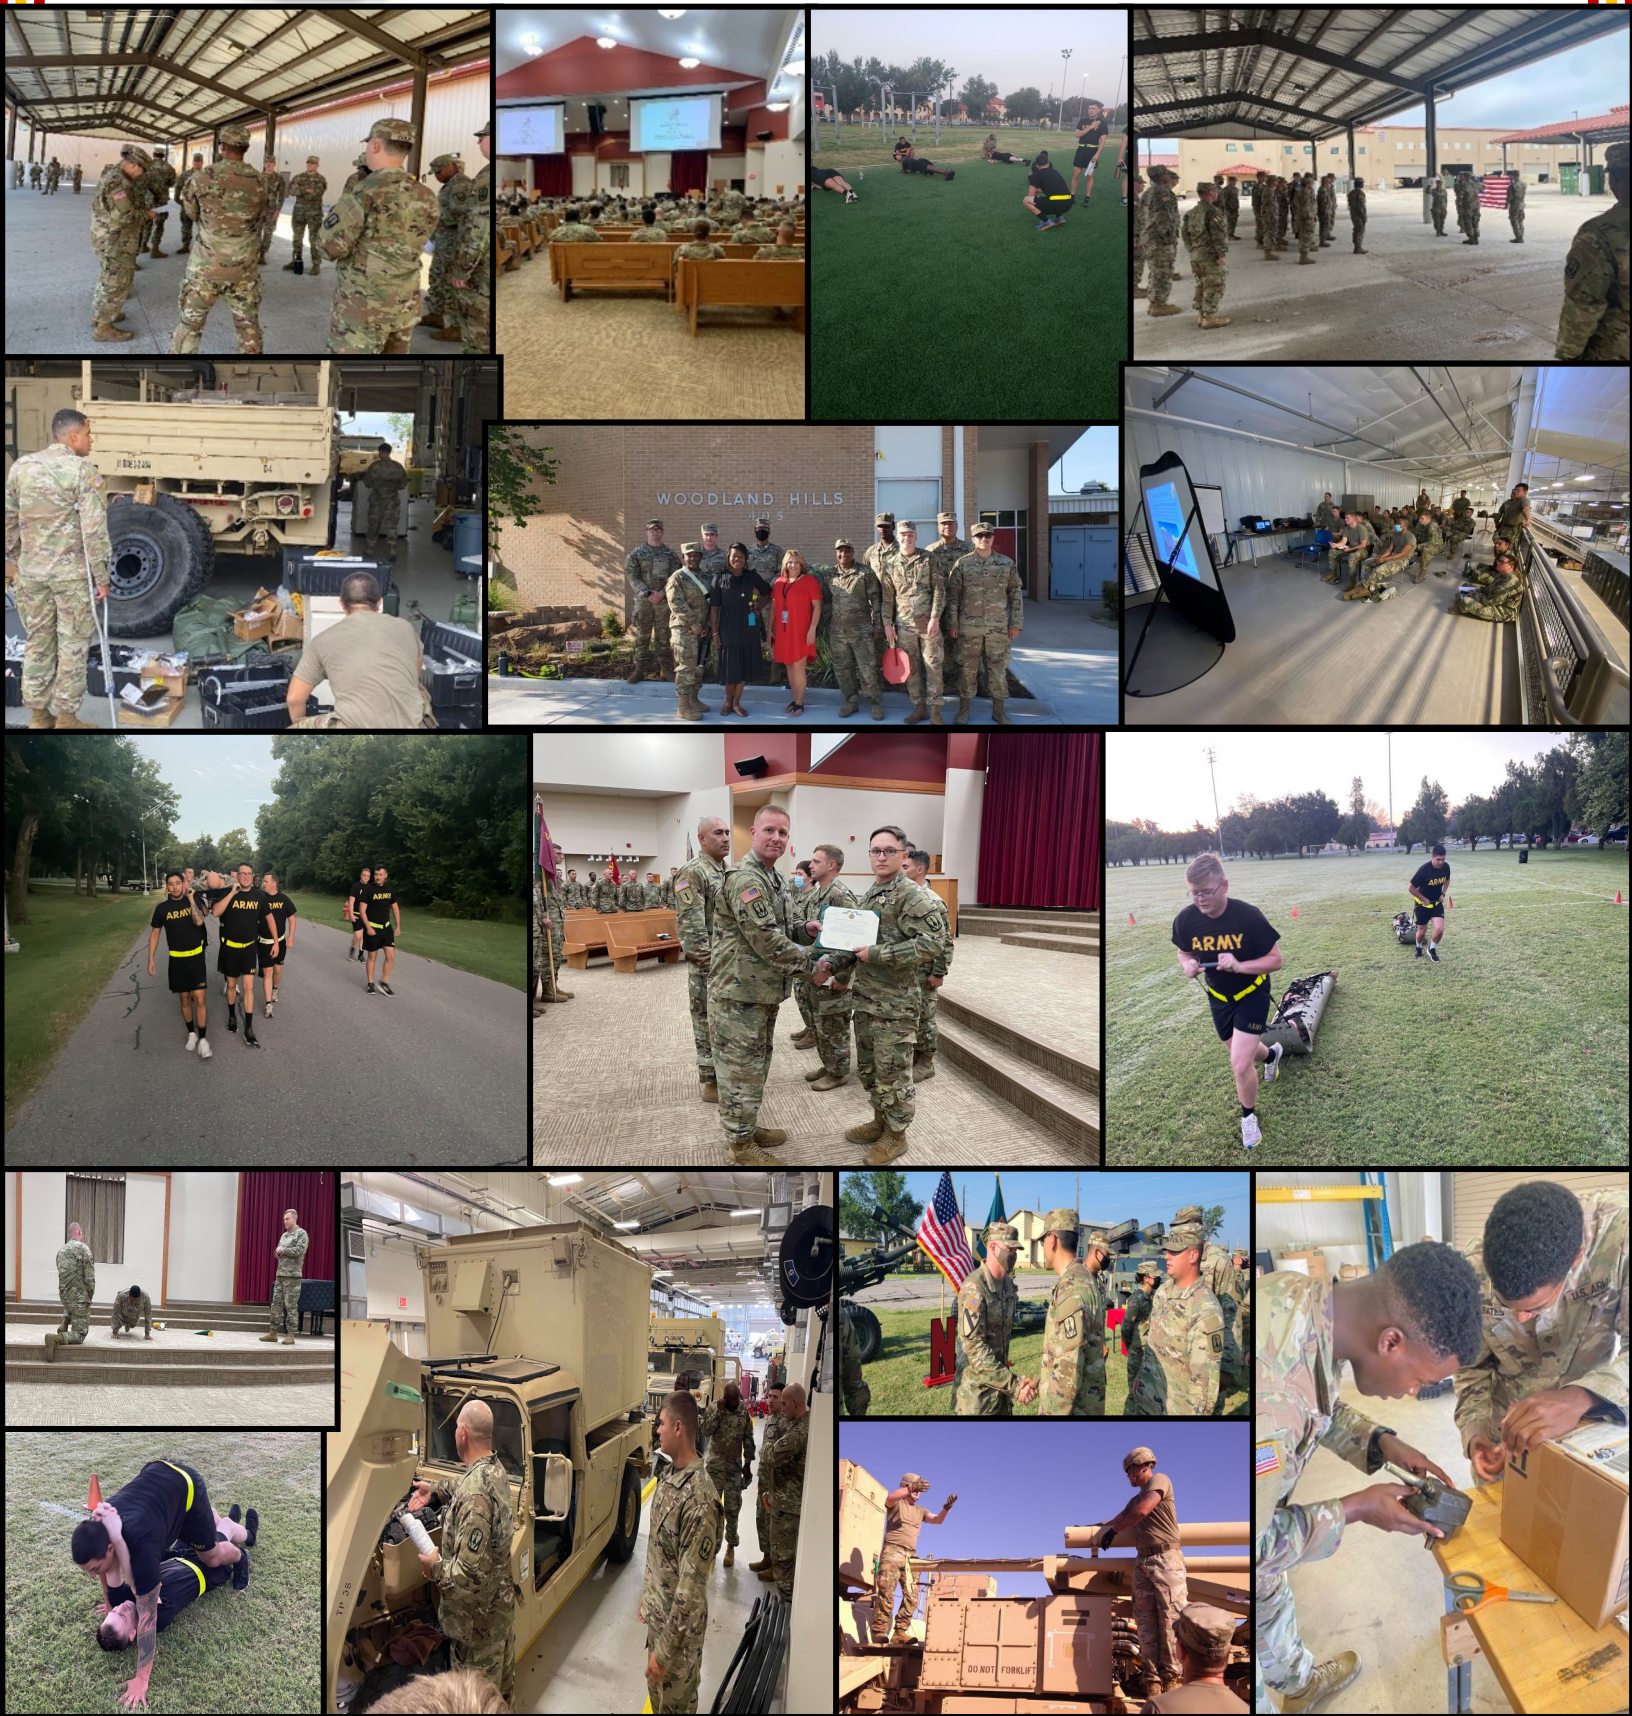

Hello Lethal Strike Family! First of all let me start by thanking every Soldier and Family member for making our Battalion successful. It has been two months since coming back from block leave and this month has been a busy one. From drivers training, to Lethal University we continue to build proficiency. Our Soldiers continue to attend numerous schools, training events and even have time to give back to our community. All of these efforts will pay off as we gear up for our weapons proficiency ranges and occupational certifications these upcoming months. Your hard work and effort do not go unnoticed. We ask that everyone remain healthy, focused and motivated. Most important of all we want to thank the Lethal Strike Families who continue to support the amazing Soldiers in the Battalion.

# LETHAL STRIKE

## Monthly RECAP

# “King of the Skies” Winners

On 13 August, the Lethal Strike Battalion held an eventful and interactive Final Formation before the weekend safety brief. The Battalion Competition was to see who could hurl the 10 pound medicine ball the farthest. SGT Fletcher, from the A/3-2 ADA Assassins, answered the call, hurtling the ball 15 meters!

On 20 August, the Lethal Strike Battalion conducted a State of the Battalion brief, which encompassed the upcoming training schedule and conducted a Push-Up Competition. SGT Hooker from the A/3-2 ADA Assassins bested the other competitors by completing 43 hand release push-ups in 60 seconds!

# Lethal Monthly Awards and Re-enlistments

## Monthly Awards

### Environmental Inspection:

CPL Wilson	SPC Gritchin
SPC Alexander	SPC Lerma
SPC Davies	SPC Nelson

**FCoE 10K Run:** SFC Wentz, SSG Zeise, PFC Flores-Alvarez

**EOL:** WO1 Lutman (Honor Grad)

## Re-enlistments

SPC Binns (HHB) - Germany  
SSG Soares (HHB) - Reg Army  
SPC Shtivelman (Bravo) - Reclass 92Y

## E/3-2 Air Defense Artillery Battalion

LETHAL STRIKE!

**CPL Keenan Leonard**  
Lethal Strike Soldier of the Month  
27 AUG 2021

Duty Position: Communication and Electronics  
Foreman (94F)

CPL Leonard has proven to be a valuable addition to Echo Company and the Lethal Strike Battalion. He completed annual services on 50 Night Vision Devices (NVD) assigned to Delta Battery ahead of schedule. CPL Leonard's expertise has been recognized outside of the Battalion by the 75th Field Artillery Brigade, who requested his assistance on the repair and servicing of four NVDs for their upcoming training event. CPL Leonard's outstanding dedication and willingness to go above and beyond has made him a vital asset to the organization.

## D/3-2 Air Defense Artillery Battalion

LETHAL STRIKE!

**PVT Flores-Alvares, Elianna**  
Lethal Strike Soldier of the Month  
27 August 2021

Duty Position: 14T

PVT Flores-Alvares arrived to Delta Battery in July from Rear Detachment, fresh out of AIT. Her work ethic and dedication to Delta's success is already unmatched by any other junior enlisted Soldier. She was instrumental during Delta's deep maintenance period, consistently performing maintenance on launchers and learning tasks such as how to conduct a LSTS. She also is a avid volunteer, having been recognized by the FSOK CG and CSM for her efforts in the Elgin clean-up duties, in addition to crossing guard duties at Woodland Hills elementary school. Besides having impeccable character traits, she also places an importance on physical fitness. She just recently passed every event of the ACFT and placed first within her age group on the FSOK Commander's Cup 10K.

## D/3-2 Air Defense Artillery Battalion

LETHAL STRIKE!

**Launcher 3rd Squad**  
Lethal Strike Squad of the Month  
27 August 2021

3rd Squad:

- SGT Rodriguez (SL)
- SGT Penalzoza
- SPC Lienes
- SPC Perez
- PFC Palm

Launcher Platoon led the way in regards to donating school supplies for families in need. The squad that donated the most supplies was 3rd Squad led by SGT Rodriguez. SGT Rodriguez continually emphasized supporting other Soldiers and the community as a whole, and how these simple actions can pay dividends to increasing trust throughout the organization. 3rd Squad's hard work and dedication allowed Delta Battery and 3-2 ADA BN as a whole to donate more supplies than any other Battery/Battalion.

"ALL IN!!!"

DEFEND THE HOUSE!

UNCLASSIFIED//FOUO

# LETHAL Tykes and Volunteer Efforts

**Top Left:** The Lethal Strike Battalion had several Soldiers that aided the Elgin Community after a devastating storm surged through the City. They were recognized by the Fort Sill Commanding General, Major General Kamper.

**Top Right:** SGT Robinson, of Delta Battery, became the newest Lethal Strike Proud Parent of the newest Lethal Tyke, Laila Alicia Robinson. Laila was born on 24 August at 1603 hours; she weighed in at 7 pounds and 3 ounces at 22 inches long.

**Right and Bottom:** Delta Battery answered the community's call for help as they directed traffic at Woodland Elementary during the first day of school in order to eliminate traffic issues and maintain safe crossings for the community's children.

Highest Score in BN (Score)

# The HHB Hell Raiser Monthly

CPT Gregory Rice

1SG James Titus

The Hell Raiser Battery facilitated Combat Life Saver course for the Battalion that certified 54 Soldiers in the Battalion. The Hell Raiser's worked diligently for an Environmental inspection with a commendable rating. Our fitness was demonstrated through the Army Combat Fitness Test scores for a Soldiers total fitness readiness for combat. Vehicle Maintenance remains a priority to prepare for field exercises and operations. The Hell Raiser's took the lead on creating Lethal University which has been created to enhance our ability's and knowledge of Patriot systems. The Lethal Strike Organization Day was a great for building comradeship and family time, and the Hell Raiser Battery placed 2<sup>ND</sup> overall during the competitions.

# The Alpha Assassin Monthly

Alpha Battery has been focusing on inventories, physical readiness, maintenance, and HR metrics after returning from block leave. The Assassins have promoted 11 Specialist to Corporals, of the 11 Corporals, six have made the rank of Sergeant. The increase of NCO presence has better equipped the Battery for additional schooling and appointed duties. Assassins are shifting their focus to the upcoming CBRN ranges, Weapons Qualification, and Gunnery Certifications in preparation for the culminating event in May 2022 at White Sands.

# The Bravo Patient Hunter

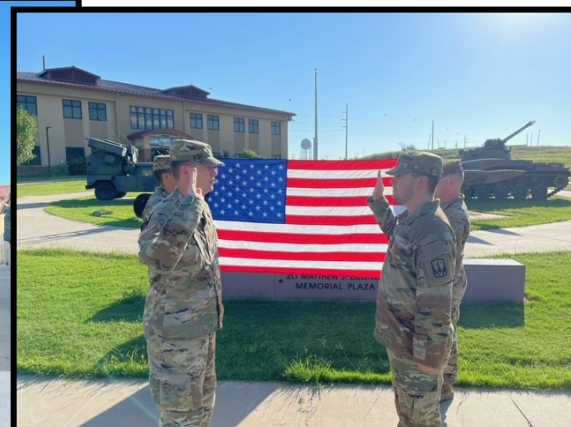

CPT Reed Bell

1SG Seth Crowder

Upon returning from Block Leave, Bravo Battery has hit the ground running by conducting various trainings events, maintenance, inventories, and FRG events. Bravo Battery completed 100% inventories and conducted inventories with Rear Detachment in order to ensure an accurate CSDP was set in place as the Battery transitioned back from deployment. Bravo Battery has had various Soldiers participate in events such as Lethal University, CLS, and Drivers Training as 3-2 ADA begins to prepare for future Gunnery Operations.

Bravo Battery also took part in the Motorpool's reorganization, playing a critical role as Bravo's Fueler was the only one in the BN to be able to draw fuel and ensure vehicles were able to have enough fuel to conduct Motorpool reorganization operations. As the Battery conducted deep maintenance, faults were identified and corrected or parts were placed on order as the Battery worked to get all equipment ready for the Battery's upcoming Gunnery training.

# The Charlie Crimson Knights Monthly

Following Charlie Battery's block leave, the Crimson Knights proudly promoted their first group of Corporals who have accomplished BLC, SPC Washam, SPC Smith, SPC Searfoss and SPC Hodges, and SPC Vargas was promoted to the rank of Sergeant.

Our Platoons conducted their own internal Organization Days in order to help integrate the newly received Soldiers and provide an opportunity for NCO's to bond with their sections and squads after a period of block leave; the Crimson Knights' Organization Days included a Platoon trip to the movie theater, a cookout at LETRA, and a Platoon hike to the apex of Mt. Scott.

The Battery took their first steps in revitalizing the SFRG Program by taking positive control of the SFRG Account and conducted the first SFRG Potluck on 4 August. With heaps of support from the Battery's SFRG Leaders, Mrs. Clendenin and Mrs. Cool, the SFRG Potluck was a great success with an enormous turnout of Soldiers and Families.

Charlie Battery has been working towards the reset of their equipment in preparation for their upcoming Field Training Exercise and Crew Certification in November. Charlie Battery's Master Gunner and Battery Trainer, SSG Rivera and Mr. Clendenin, met with our new STANDS OIC, CW2 Parker, to discuss the projected crew roster focusing on longevity and experience. Additionally, the team took the time to meet with our newly acquired Soldiers in the Battery to

deliver an expectation in-brief to set the standard of a Crewmember. SSG Rivera also revamped the Battery's Check-ride packets in preparation for Lethal University in September.

The Charlie Battery Crimson Knights are both eager and ready to violently execute training and successfully accomplish the mission at hand.

CPT Brandon Tourn

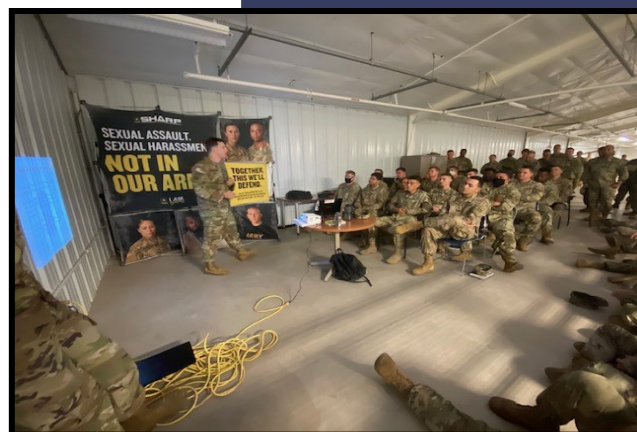

1SG Brandon Cool

## Crimson Knight Promotions!

We are very proud to recognize SPC Jaski for his battlefield promotion this month for his efforts during the Summer. Months in assisting Elgin in the aftermath of a windstorm. His volunteerism has been recognized by FCOE CG/CSM.

THE LETHAL WORD

# The Delta Death Dealer

CPT Paul Spikes

1SG Derek Thomas

Delta Battery hit the ground running upon returning from block leave by completing Deep Maintenance on all equipment, Driver's Training, Combat Life Saver Training, and 100% inventories for Delta internal equipment and newly acquired equipment from Rear Detachment. Delta Battery aided their sister Battalion, 5-5 ADA, by allowing A/5-5 utilize the Death Dealer's Fueler to complete a Field Training Exercise. The Death Dealers sent many Soldiers to multiple school to include Basic Leader Course (BLC), Advanced Leader Course (ALC), and the prestigious Patriot Master Gunner Pre-Course. Delta Battery also congratulated SGT Turley and SGT Perez for graduating BLC on the Commandants List and CPL Beck on graduating BLC as the Distinguish Honor Graduate.

The Death Dealers took part in the USO mission trip to Oklahoma City, where the Platoons were able to further promote team bonding, relationship building, and TIMS activities.

Delta Battery answered the Community's calls for help on several occasions: Delta's Leadership and Junior Soldiers helped direct traffic during Woodland Elementary's first day of school; the Death Dealer's had several volunteers to aid the Elgin Community after a strong, surging storm drive through the heart of Elgin, causing the City to be in a state of dismay; Delta Battery also donating over 200 pounds of school supplies in the 31<sup>ST</sup> Brigade School Drive, helping out local Families and Soldiers.

# The Echo Enforcers Monthly

After block leave, Enforcers were refreshed and charged up for any mission the Battalion had. The Enforcers went straight into inventories, prepared to merge property books with Rear Detachment, and the change of command. While conducting inventories, Soldiers ensured all equipment was accounted for without incident after transit! As inventories were being conducted, Enforcers worked to facilitate deep maintenance throughout the Battalion in order to identify any faults or deficiencies with the equipment. The SSA worked on setting up the warehouse as they organized, processed and issued out parts to the Units. Soldiers trained with the medics for Combat Life Savers (CLS) Course. During Driver's Training, new Soldiers were able to learn how to safely operate military

vehicles. The Enforcers also said farewell to CPT Anderson and SFC Michaels as the commander and First Sergeant and we welcomed CPT Lee and 1SG Linnell to the Lethal Strike Family.
